There are three votes.

Vote 1 Comment: These transfers, taken immediately prior to the CPA project appropriation votes that follow, ensure that the Town complies with the state legal requirement to either appropriate or reserve at least 10% of estimated annual CPA revenues (est. \$2,598,749) in each of the three CPA project areas.

Although these transferred funds are immediately recommended for appropriation in their entirety in the next vote, this action ensures that the Town maintains compliance should Town Meeting reduce or reject the recommended appropriations, or does not become retroactively out of compliance with state law should any approved project not proceed as planned. (In such an event, the reserved funds would remain in or be returned to the

dedicated account for future appropriation in that CPA project area.)

Vote 2 Comment: The CPAC recommends the CPA projects to Town Meeting for FY2027 funding, having carefully vetted each application for compliance with the CPA law, feasibility, importance, cost justification, sustainability and other criteria.

Vote 3 Comment: The expenses are explained starting on page 5 of the CPAC Report.

[The Finance Committee] endorses the projects recommended by the Community Preservation Act Committee. (13-3-1)
