Report Excerpt:

In light of the Town's tight fiscal constraints, the budgets of all committees and commissions (including the Finance Committee's own budget) have been reduced by at least 10%. Some committees and commissions have requested even less funding than that, and some have requested no money this year as many of them are holding unspent monies from the prior year in reserve, which they intend to utilize in FY2027. The Finance Committee is grateful that, in this difficult fiscal year, our many volunteers are willing to continue their great work on behalf of the Town with fewer resources.
